

## KalVista Pharmaceuticals to Present at SVB Securities Global Biopharma Conference

February 3, 2023

CAMBRIDGE, Mass. & SALISBURY, England--(BUSINESS WIRE)--Feb. 3, 2023-- KalVista Pharmaceuticals, Inc. (NASDAQ: KALV), a clinical stage pharmaceutical company focused on the discovery, development, and commercialization of oral, small molecule protease inhibitors, today announced it will be presenting at the SVB Securities Global Biopharma Conference (virtual) on Thursday, February 16, 2023 at 8:40 a.m. ET.

A live webcast of the presentation will be available on the Company's website at [www.kalvista.com](http://www.kalvista.com). An audio archive will be available on KalVista's website for 30 days following the presentations.

### About KalVista Pharmaceuticals, Inc.

KalVista Pharmaceuticals, Inc. is a pharmaceutical company focused on the discovery, development, and commercialization of oral, small molecule protease inhibitors for diseases with significant unmet need. KalVista has developed a proprietary portfolio of novel, small molecule plasma kallikrein inhibitors initially targeting hereditary angioedema (HAE) and diabetic macular edema (DME). KalVista is developing sebetralstat as an oral on-demand therapy for HAE attacks and is enrolling the Phase 3 KONFIDENT clinical trial. In addition, KalVista's oral Factor XIIa inhibitor program represents a new generation of therapies that may further improve treatment for people living with HAE. In DME, an intravitreally administered plasma kallikrein inhibitor, called KVD001, has completed a Phase 2 clinical trial.

For more information about KalVista, please visit [www.kalvista.com](http://www.kalvista.com).

For more information on the sebetralstat HAE on-demand Phase 3 KONFIDENT study, please visit [www.konfidentstudy.com](http://www.konfidentstudy.com).

### Forward-Looking Statements

This press release contains "forward-looking" statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Any statements contained herein that do not describe historical facts, including, but not limited to, statements regarding our ability to complete the offering, the anticipated use of proceeds of the offering and the timing of the closing of the offering, the timing of clinical trials and the potential benefits of our product candidates, are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those discussed in such forward-looking statements. Further information on potential risk factors that could affect our business and financial results are detailed in our filings with the SEC, including in our annual report on Form 10-K for the year ended April 30, 2022, our quarterly reports on Form 10-Q, and our other reports that we may make from time to time with the SEC. Any of these risks and uncertainties could materially and adversely affect our results of operations, which would, in turn, have a significant and adverse impact on our stock price. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date they are made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
