

Patient Support Program

Personalized support you can count on.

When you're prescribed a KalVista treatment, your dedicated Care Manager is focused on providing you with the answers, resources, and tools you need to navigate your treatment journey effectively.

KalVista Cares™ is committed to providing patients and their caregivers with intentional, proactive support every step of the way, from getting started with your therapy to staying on track, helping to minimize any delays or disruptions to ensure you have access your prescribed KalVista therapy.

The KalVista Cares team offers you a range of services:

Benefits Investigation

Our Care Managers assist you in understanding your insurance coverage and out-of-pocket costs. We provide timely and accurate response, enabling efficiency so you can access the therapies you need when you need it most.

Prior Authorization

We support you with the initial authorization requests and reauthorizations. If a prior authorization is denied, we help with the appeals process, advocating for your coverage needs to ensure you receive the care you deserve.

Financial Assistance Options

If you are eligible, our Care Managers can also help you enroll into the KalVista Cares Co-pay Assistance Program*

Resources and Community Connections

KalVista Cares is committed to empowering you by connecting you to valuable community and emotional support resources.

Specialty Pharmacy Coordination and Triage

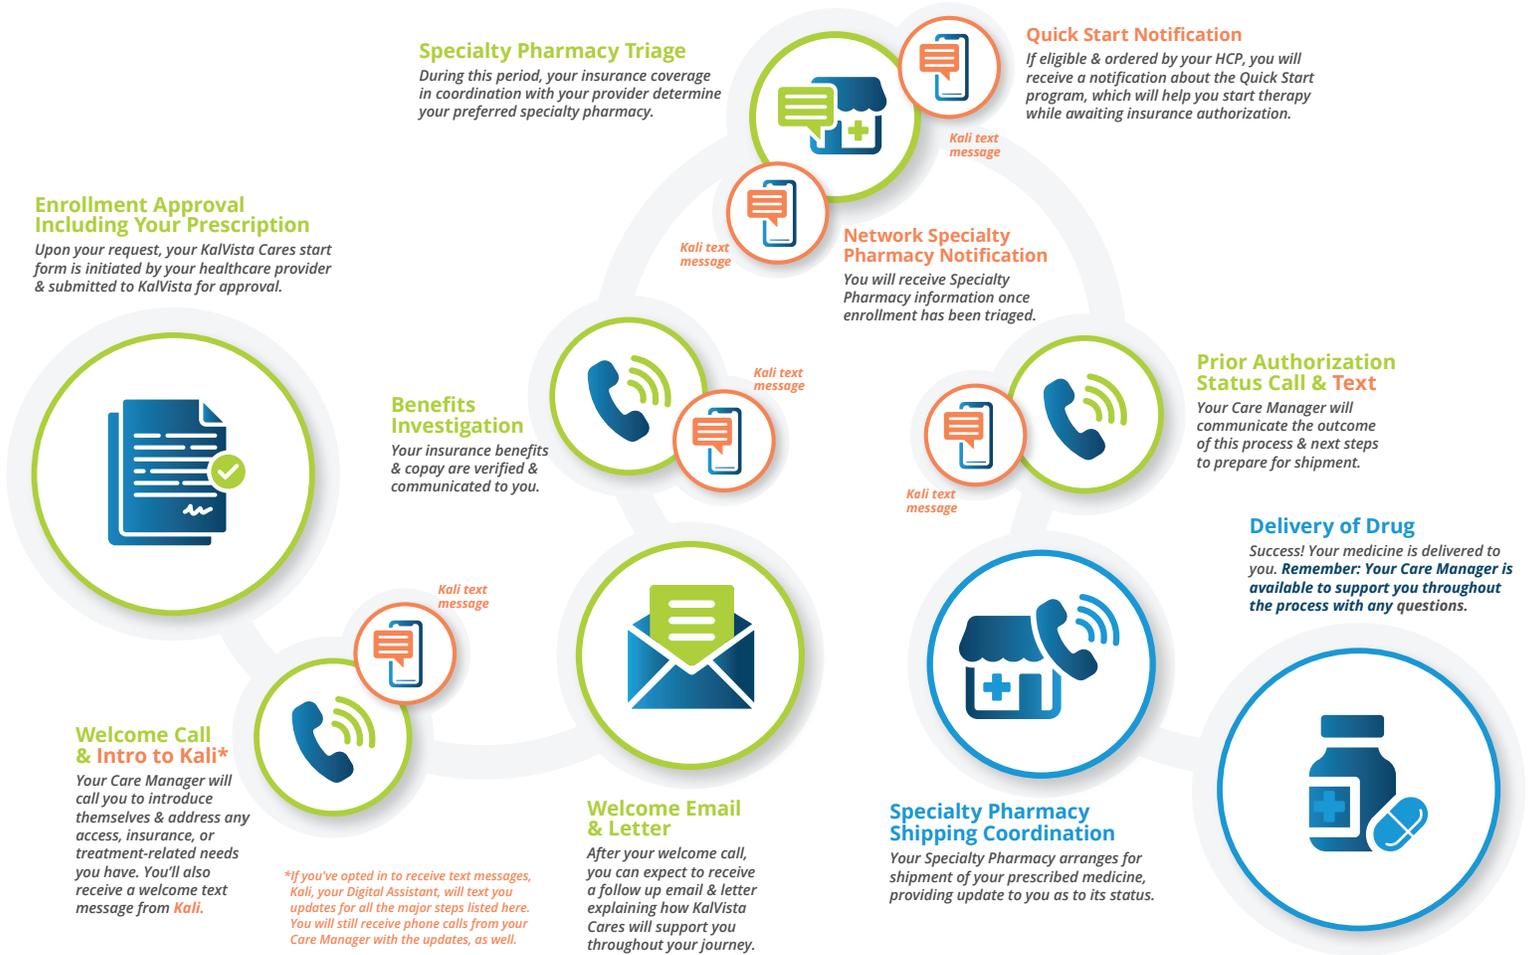

We'll collaborate closely with the pharmacy and your insurance provider to help facilitate access to your KalVista treatment, addressing any coverage or logistical challenges along the way.

*IMPORTANT NOTICE: This co-pay assistance program is intended only for eligible patients with commercial (private) insurance.
